

## “Is Real Peace Possible?”

*Luke 24:36-49*

### Sermon Summary. . .

Real peace is possible because the crucified and risen Jesus gives **peace** with God to all who repent and believe.

### What This Passage Shows Us About Peace. . .

- Jesus comes to troubled and **guilty** people (vv. 36-43).
- Jesus calls people to receive that peace through repentance and **faith** (vv. 47-49).
- Jesus gives peace because he made peace through his **death** and resurrection (vv. 44-46).

### Reflect then Act. . .

- **Reflect:** Where am I trying to find peace apart from Christ? Is it through control, image, distraction, success, approval, or self-rule?
- **Act:** Tell the truth to God about yourself. Stop trying to clean yourself up first. Ask Christ for mercy, and trust him as the crucified and risen Savior.
